The picturesque town of **Sidney by the Sea** is situated on the southern tip of Vancouver Island. The community is located along the shores of the Salish Sea on the Saanich Peninsula, amidst the Gulf Islands with Mount Baker standing in the distance. The mainly flat, walkable community is 5.10 square kilometers and the moderate climate makes it a year-round tourist destination. Sidney's waterfront location allows for many other water-related activities such as boating, sailing, kayaking, diving and fishing.
